I'm forwarding this to Claudia as it's an enforcement issue.

I'm not sure....I would think USEPA would be the ones to report this to.

Alleged Violator's Name: Artemis Bio-Solutions

Alleged Violator's Address: 1226 N Michael Dr. Suite C

Alleged Violator's City: Wood Dale

Alleged Violator's State: Illinois

Alleged Violator's Zip: 60191

Tip or Complaint: Artemis Bio-Solutions is making claims that are in complete conflict to what I can find about their products. They are claiming 99.99999% efficacy against Viruses, Bacteria, and harmful chemicals...I however find no virucidal performance verified by their master label. The products are Bio-Oxygen Chem Decon Part A and Bio-Oxygen Chem Decon Part B. They also have another product called Defender Disinfectant RTU that they are claiming is safe and non-toxic but I find that to also conflict with their master label that has precautionary statements and SDS which indicates a Health Hazard.
